The existence of any particular performance measure, or the language describing that measure, is not evidence that CLEC is entitled to any particular manner of access, nor is it evidence that **SBC-13STATE** is limited to providing any particular manner of access. The parties' rights and obligations to such access are defined elsewhere, including the relevant laws, FCC and PUC decisions/regulations, tariffs, and within this interconnection agreement.

#### 2. **DEFINITIONS**

2.1 When used in this Appendix, the following terms will have the meanings indicated:

#### 2.1.1 Performance Criteria

- 2.1.1.1 The target level of **SBC-13STATE** performance specified for each Performance Measurement. Generally, the Performance Measurements contained in this Appendix specify performance equal to that which **SBC-13STATE** achieves for itself in providing equivalent end user service as the Performance Criterion.
- 2.1.1.2 Performance Measurements for which parity calculations are not possible have a specified *standard* as the Performance Criterion. Compliance is assessed by comparing the result obtained by the CLEC with the applicable standard using an appropriate statistical test. For certain Performance Measurements, a specific quantitative target has been adopted as the Performance Criterion. The determination of compliance is through the comparison of the measured performance delivered to CLEC and the applicable benchmark.

#### 2.1.2 Performance Measures

2.1.2.1 The set of measures listed in all of Section 5 of this Appendix.

#### 2.1.3 Non-compliance

2.1.3.1 The failure by **SBC-13STATE** to meet the Performance Criteria for any performance measure identified as an available measurement type in Section 5.

#### 3. SPECIFIED PERFORMANCE STANDARDS

3.1 <u>SBC-13STATE</u> will meet the Performance Criteria contained in this Appendix, except for noncompliance with a performance measurement to the extent that such noncompliance was the result of actions or events beyond <u>SBC-13STATE</u>'s control, including but not limited to the following: (i) a Force Majeure event; (ii) an act or omission by a CLEC that is contrary to any of its obligations under its interconnection agreement with <u>SBC-13STATE</u> or law; (iii) environmental events beyond <u>SBC-13STATE</u>'s control even though not considered "Force Majeure"; and (iv) problems associated with third-party systems or equipment which could not be avoided by <u>SBC-13STATE</u> through the exercise of reasonable diligence, regardless of whether or not such third-party systems or equipment were sold to or otherwise being provided to <u>SBC-13STATE</u>.

#### 4. RECORDS AND REPORTS

- 4.1 <u>SBC-13STATE</u> will not levy a separate charge for provision of the data to CLEC called for under this Appendix. Notwithstanding other provisions of this Agreement, the Parties agree that such data and associated records will be deemed Proprietary Information.
- 4.2 Reports are to be made available to the CLEC by the 20th day following the close of the calendar month. If the 20th day falls on a weekend or holiday, the reports will be made available the next business day.
- 4.3 CLEC will have access to monthly reports through an interactive Website.
- 4.4 UNE measurement categories included on the reports will be zero filled as that data is not applicable to resale services.
